

Frederick Steiner is dean and Paley Professor at the University of Pennsylvania Stuart Weitzman School of Design (Weitzman School) and co-executive director of its Ian L. McHarg Center for Urbanism and Ecology. Previously, he served for 15 years as dean of the School of Architecture and Henry M. Rockwell Chair in Architecture at The University of Texas at Austin. Before that, he taught at Penn and the following institutions: Arizona State University, Washington State University, and the University of Colorado at Denver. He was a visiting professor of landscape architecture at Tsinghua University in Beijing, China. Dean Steiner was a Fulbright-Hays scholar at Wageningen University, The Netherlands and a Rome Prize Fellow in Historic Preservation at the American Academy in Rome. During 2013 - 2014, he was the William A. Bernoudy Architect in Residence at the American Academy in Rome. A fellow of both the American Society of Landscape Architects and the Council of Educators in Landscape Architecture, and faculty fellow at the Penn Institute for Urban Research, he has written, edited, or co-edited 21 books. Dean Steiner helped establish the Sustainable SITES Initiative, the first program of its kind to offer a systematic, comprehensive rating system designed to define sustainable land development and management, and holds the SITES Professional (SITES AP) credential.

Dean Steiner was a presidential appointee to the national board of the American Institute of Architects and was on the Urban Committee of the National Park System Advisory Board. He served as president of the Hill Country Conservancy (an Austin land trust) as well as in various capacities on the boards of Envision Central Texas and the Landscape Architecture Foundation. He worked on the Austin Comprehensive Plan (Imagine Austin) and on the campus plan for The University of Texas at Austin.

Dean Steiner earned a Master of Community Planning and a B.S. in Design from the University of Cincinnati, and his Ph.D. and M.A. in city and regional planning and a Master of Regional Planning from the University of Pennsylvania. Dean Steiner also received an honorary M.Phil. in Human Ecology from the College of the Atlantic.
